

The Summer Team “Fun” Squash Competition organised by club member/trophy hunter Craig Muller has been hitting the headlines in recent weeks due to the seriousness of approach and preparation by some of the teams (Muller’s Maestros) competing! There have been stories of sponsored playing kit, walk on music and legend has it, post-match beer and pizza as a win bonus/incentive! Thursday 22<sup>nd</sup> August sees the desperation to be crowned Summer Team Champions reach new levels when none other than PSA World Number 19, Daryl Selby (not Shelby Mr Chairman) makes an appearance for Muller’s Maestros. In a bid to regain the momentum after their shock defeat to Gillespie’s Crushers, Team Captain Craig Muller has shown he will stop at nothing to win the competition that he created. Daryl will be charged the agreed £2 playing fee (like all other competitors) and it is hoped that his attendance will draw huge crowds to the club and raise lots of cash for charity! #teambobby #bobbythedazzle
